

Med Surg PV Gen III

- **Gen II - TRICARE Regions are just beginning their Third 20-month Commitment Periods**
- **DSCP Contracting Team will Start Gen III Draft Development in Spring 2004**
- **Before Beginning, Will Need General Agreement on Basic Program Structure**
 - Maintain two PVs for regional selection?
 - How will regions/sub-regions be aligned for PV selection purposes?
 - Menu of service levels leading to tailored distribution fees per customer?
 - Commercially available services to be included?
 - Tailor requirements/business rules for large vs. small sites?
- **All stakeholders may submit suggestions to Donna Kennedy by email to:**
donna.kennedy@dla.mil
- **Gen III to be effective by September 30, 2005**

Med Surg PV and Data Sync

- Metrics Update by John Charalabidis
- Product Standardization
- DMLSS Deployment and Fill Rate
